to the member, including advances and renewals made pursuant to this section.

(b) *New advances to members without positive tangible capital.* (1) A Bank shall not make a new advance to a member without positive tangible capital unless the member's appropriate federal banking agency or insurer requests in writing that the Bank make such advance. The Bank shall promptly provide the Finance Board with a copy of any such request.

(2) A Bank shall use the most recently available Thrift Financial Report, Report of Condition, and Income or other regulatory report of financial condition to determine whether a member has positive tangible capital.

(c) *Renewals of advances to members without positive tangible capital—(1) Renewal for 30-day terms.* A Bank may renew outstanding advances, for successive terms of up to 30 days each, to a member without positive tangible capital; provided, however, that a Bank shall honor any written request of the appropriate federal banking agency or insurer that the Bank not renew such advances.

(2) *Renewal for longer than 30-day terms.* A Bank may renew outstanding advances to a member without positive tangible capital for a term greater than 30 days at the written request of the appropriate federal banking agency or insurer.

(d) *Advances to capital deficient but solvent members.* (1) Except as provided in paragraph (d)(2)(i) of this section, a Bank may make a new advance or renew an outstanding advance to a capital deficient member that has positive tangible capital.

(2)(i) A Bank shall not lend to a capital deficient member that has positive tangible capital if it receives written notice from the appropriate federal banking agency or insurer that the member's use of Bank advances has been prohibited. The Bank shall promptly provide the Finance Board with a copy of any such notice.

(ii) A Bank may resume lending to such a capital deficient member if the Bank receives a written statement from the appropriate federal banking agency or insurer which re-establishes the member's ability to use advances.

(e) *Reporting.* (1) Each Bank shall provide the Finance Board with a monthly report of the advances and commitments outstanding to each of its members.

(2) Such monthly report shall be in a format or on a form prescribed by the Finance Board.

(3) Each Bank shall, upon written request from a member's appropriate federal banking agency or insurer, provide to such entity information on advances and commitments outstanding to the member.

(f) *Members without federal regulators.* In the case of members that are not federally insured depository institutions, the references in paragraphs (b), (c), (d) and (e) of this section to "appropriate federal banking agency or insurer" shall mean the member's state regulator acting in a capacity similar to an appropriate federal banking agency or insurer.

(g) *Advance commitments.* (1) In the event that a member's access to advances from a Bank is restricted pursuant to this section, the Bank shall not fund outstanding commitments for advances not exercised prior to the imposition of the restriction. This requirement shall apply to all advance commitments made by a Bank after August 25, 1993.

(2) Each Bank shall include the stipulation contained in paragraph (g)(1) of this section as a clause in either:

(i) The written advances agreement required by § 950.4(b)(2) of this part; or

(ii) The written advances application required by § 950.4(a) of this part.

funds in the marketplace, including embedded options; and

(ii) The administrative and operating costs associated with making such advances to members.

(2) *Differential pricing.* (i) Each Bank may, in pricing its advances, distinguish among members based upon its assessment of:

(A) The credit and other risks to the Bank of lending to any particular member; or

(B) Other reasonable criteria that may be applied equally to all members.

(ii) Each Bank shall include in its member products policy required by § 917.4 of this chapter, standards and criteria for such differential pricing and shall apply such standards and criteria consistently and without discrimination to all members applying for advances.

(3) *Exceptions.* The advance pricing policies contained in paragraph (b)(1) of this section shall not apply in the case of:

(i) A Bank's CICA programs; and

(ii) Any other advances programs that are volume limited and specifically approved by the Bank's board of directors.

(c) *Authorization for pricing advances.*

(1) A Bank's board of directors, a committee thereof, or the Bank's president, if so authorized by the Bank's board of directors, shall set the rates of interest on advances consistent with paragraph (b) of this section.

(2) A Bank president authorized to set interest rates on advances pursuant to this paragraph (c) may delegate any part of such authority to any officer or employee of the Bank.

(d) *Putable or convertible advances—*(1) *Disclosure.* A Bank that offers a putable or convertible advance to a member shall disclose in writing to such member the type and nature of the risks associated with putable or convertible advance funding. The disclosure should include detail sufficient to describe such risks.

(2) *Replacement funding for putable advances.* If a Bank terminates a putable advance prior to the stated maturity date of such advance, the Bank shall offer to provide replacement funding to the member, provided the member is able to satisfy the normal credit and

collateral requirements of the Bank for the replacement funding requested.

(3) *Definition.* For purposes of this paragraph (d), the term *putable advance* means an advance that a Bank may, at its discretion, terminate and require the member to repay prior to the stated maturity date of the advance.

§ 950.6 Fees.

(a) *Fees in member products policy.* All fees charged by each Bank and any schedules or formulas pertaining to such fees shall be included in the Bank's member products policy required by § 917.4 of this chapter. Any such fee schedules or formulas shall be applied consistently and without discrimination to all members.

(b) *Prepayment fees.* (1) Except where an advance product contains a prepayment option, each Bank shall establish and charge a prepayment fee pursuant to a specified formula which makes the Bank financially indifferent to the borrower's decision to repay the advance prior to its maturity date.

(2) Prepayment fees are not required for:

(i) Advances with original terms to maturity or repricing periods of six months or less;

(ii) Advances funded by callable debt; or

(iii) Advances which are otherwise appropriately hedged so that the Bank is financially indifferent to their prepayment.

(3) The board of directors of each Bank, a designated committee thereof, or officers specifically authorized by the board of directors, may waive a prepayment fee only if such prepayment will not result in an economic loss to the Bank. Any such waiver must subsequently be ratified by the board of directors.

(4) A Bank, in determining whether or not to waive a prepayment fee, shall apply consistent standards to all of its members.

(c) *Commitment fees.* Each Bank may charge a fee for its commitment to fund an advance.
